

ergoAGENT mono

* Mit diesem Gewicht ist der Tisch mit Unterstützung von Hand leicht bedienbar.
* With this weight the table can be operated easily supported by hand.

Hinweis

sollte nach längerem Gebrauch die Säule nicht mehr ganz einfahren, muß bei gedrückter Auslösetaste der Tisch mit Druck gegen den unteren Endanschlag gedrückt werden

Notes for the user

when the column does not come anymore completely down after a longer use, you have to push the table down (with pushed hand release) to the lowest position
